

# Thames Valley District School Board

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

## Safe and Inclusive School Plan Ensuring Positive Learning Environments

This year we are focusing on building a kind and inclusive community.

We are doing this to build a strong and connected community in our school.

**Throughout the year, we will be:**

1. Engaging student voice in kindness strategies.
2. Utilize a variety of resources to support students' better understanding of diversity and inclusion.
3. Utilize restorative practices to help students understand their personal responsibility for their words and actions.

**Community/Home Connections**

Ask your child questions such as:

- What did you do to be a kind person today?
- What can you do tomorrow to be a good friend?
